Fund Features

- Hejaz Equities Fund (Managed Fund) (HEF) seeks to achieve a (total) return equal to movements in the Benchmark, MSCI World Islamic Index in unhedged AUD terms, over a rolling 5 to 7-year timeframe through exposure to a diversified equities portfolio of Sharia Compliant investments.
- We integrate moral values and socio-economic justice with a balance between the financial and spiritual need through incorporating ethical foundations across all investment decision making processes.
- HEF provides an investment solution to investors seeking Sharia-compliant investing. We apply our asset management expertise, strict screening process, and in combination with the knowledge and advice of Sharia scholars to offer investors a Sharia-compliant portfolio.
- We believe that the searching for the best investment opportunities should not be limited by borders. HEF provides investors with exposure to both domestic and international markets. We believe that investment risks can be reduced through adequate diversification. The Fund's investment approach is to research, screen, and then select quality investments, across Australian equities and international equities.
- HEF applies a rigorous and robust investment approach which encompasses an analysis of both quantitative and qualitative factors. It adopts an adaptive investment style by considering investments in terms of value, quality, and growth, across the short, medium and long term.
